**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Westbury and Henleaze

When the old Henleaze and Westbury-on-Trym wards were merged, it felt like gerrymandering Henleaze and overwhelming it with WoT. As a resident of Westbury Park, I feel our area has much more in common with Redland and the rest of BS6 rather than BS9 and would sit much more naturally in that ward a couple of streets away across Coldharbour Road.
