You haven't included Withywood area into our boundaries, it's always been Hartcliffe and withywood, they are in disrepair, ignored, they have nothing for kids, for adults, they have problems with drugs, alcohol, vandalism, domestic abuse, violence, just as bad as Hartcliffe, thus is why we have or trying to get help and support for those in Hartcliffe, projects were there but as per usual funding was cut and those projects could no longer continue which left people hanging, I think by including Withywood there could be change and this is what we need and thrive for is change, we dont need broken promises we need action
