I have lived in the area over 30 years. My children went to the local primary. We use the swimming pool, tennis club, library and local church. We have our hair cut at Broadwalk where we use the dentist, post office, bank, Iceland and the chemist. Miss Iceland being a 5 minute walk. Love the bus frequency and walkability to Broadmead and Avonmeads. Love the parks. Love the annual fireworks. Don't associate really as East Bristol . Did associate as South Bristol.
