On the Dorset Council web site when I searched “where to vote Corfe Mullen” the address of the Village Hall Polling station is incorrect. It should be :

Corfe Mullen Village Hall
Off Towers Way
Corfe Mullen
Wimborne
BH21 3UA

The address on the website I believe is a historical address from many years ago. Also there is not a post code listed for the polling stations at the Scout Hut at Banbury View Road or for the Springdale Road car park. This would be helpful for new residents who are voting for the first time in the area.
