Related subject: Rodwell and Wyke

Rodwell and Wyke is a very large ward that covers two distinct areas. While I appreciate that having 3 councillors makes it a hard ward to split in two, Rodwell and Wyke are different areas that it is hard for councillors to cover equally. Councillors effectively have to pick an area to focus on and treat the other as a secondary consideration. Perhaps the ward could be split into 3, with Rodwell, Wyke and a "Sandsfoot" ward, covering the coastal areas that follow the Rodwell trail.
