Related subject: Verwood Town Council and Dorset Council wards for Verwood and Three Legged Cross

The ward boundaries within Verwood Town area should be abolished. Warding the Town leads to more people wanting to stand in one ward and a shortfall of candidates in adjacent wards. This is a potential waste of willing candidates and can lead to unnecessary co-option following elections.

Three Legged Cross is part of Verwood Town Council, should remain a separate ward for the Town Council but should be part of the Verwood ward for Dorset Council and Parliamentary elections. The present situation regarding Dorset Council and Parliamentary representation is ludicrous.
