Chickerell is a very community minded place to live, we have what we need here, a pharmacy, a local shop and a supermarket. I don't go into Weymouth very much, the shops in the town centre are not particularly good and if I want to go shopping I tend to go to Poole or Bournemouth.

As a town, Chickerell is not part of Weymouth and we are proud of our area. I think the 2 current Dorset Councillors are enough for our town.
