Hi RE The Boundary consultation i believe Littlemoor and Preston should be separate wards. I live in Sutton Poyntz Preston.
Littelmoor and Preston could not be more different.
Preston and Sutton poyntz is a leafy mainly society of retired home owning pensioners like myself and its generally a very affluent Area.
Littlemoor is an ex council estate generally quite deprived lower than the national averaging many people live there struggling with the cost of living crisis Littlemoor is heavily built up with less green spaces.
It is my view they should be separate electoral wards and councillors please.
