

Dorset

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Too many areas, too confusing, too many different people to speak to needs reducing.
Also unless you are retired, most working people do not have time to engage. So online surveys are better for any type of engagement.
Also Council tax needs reviewing for a single working adult with a family and it is too expensive, but no-one wants to reduce that either
