Related subject: Graves Park/Gleadless Valley

I think Ashbury Drive should be in the Graves Park Ward. It has absolutely nothing in common with the Gleadless Valley area. In fact I actively boycott using any facilities in the Gleadless Valley Ward because of some of the unsavoury people you could meet!
Ashbury Drive is in the catchment area for Norton Free School which is also in the Graves Park Ward. The secondary school, Newfield, is also in the Graves Park Ward.
