Related subject: Crookes and Crosspool Ward

I support the proposals attached as a resident of Crookes & Crosspool ward. I believe that these changes better represent the boundaries between different areas. I use Bole Hills and believe that the area around Northfield and Heavygate Road that are currently in Walkley Ward clearly belong to same the neighbourhood as the rest of Crookes and for that reason should be included in Crookes and Crosspool Ward.

I also believe that the boundaries proposed in the attachment around Crookesmoor Road and Barber Road better represent the boundaries of the neighbourhoods in the area.
